

# VOLUME III

## FINAL AUDIT & APPROVAL RECORD

Master Version: 1.0

Academic Session: 2026/2027

Status: FINAL AUDIT PASSED — APPROVED FOR MASTER RELEASE

| Audit Area                           | Result | Finding                                                                                                       |
|--------------------------------------|--------|---------------------------------------------------------------------------------------------------------------|
| Document completeness                | PASS   | Part I; Crèche Terms 1–3; Nursery Terms 1–3; Reception Terms 1–3; Part V present.                             |
| Progression continuity               | PASS   | Crèche -> Nursery -> Reception -> Basic 1 sequence is coherent.                                               |
| EYFS integrity                       | PASS   | Seven areas retained; Reception remains Early Years; premature formalisation explicitly rejected.             |
| Literacy / phonics                   | PASS   | Oral-language and phonological foundations precede Reception SSP; matched decodables and rich literature      |
| Mathematics                          | PASS   | Experience/manipulation progresses to representation, reasoning and application.                              |
| Practical Life / independence        | PASS   | Progression is explicit from supported participation to greater responsibility.                               |
| Assessment terminology               | PASS   | Overarching KNOW -> PLAN -> TEACH -> OBSERVE -> INTERPRET -> RESPOND -> REVIEW; focused OB                    |
| EYFS / ELG legal wording             | PASS   | ELGs identified as statutory within England's EYFS; AMES adoption in Nigeria described as a British-system re |
| Inclusion / SEND / multilingual      | PASS   | Access, adaptation and home-language principles remain consistent.                                            |
| Nigerian / African contextualisation | PASS   | Owo -> Nigeria -> Africa -> wider world progression retained.                                                 |
| Christian character                  | PASS   | Values are integrated through modelling and lived practice.                                                   |
| Reception -> Basic 1 transition      | PASS   | Transition is explicit without converting Reception into Basic 1.                                             |
| Part V compilation                   | PASS   | Revised v1.1 used; fuller Chapter 1 restored and templates redesigned.                                        |
| Duplicate / obsolete files           | PASS   | Older Part V v1.0 and Reception T3 v1.0 excluded from master compilation.                                     |

FINAL AUDIT RESULT: PASSED

APPROVED FOR MASTER RELEASE

IN GOD WE TRUST.
